MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT : Employment of Retired Annuitants

1. Attached is a final draft of HN "Contract Employment of Annuitants," which would establish ground rules applicable to the employment of retired civilian annuitants.

25X1

2. You saw an earlier draft of this notice on 11 February and asked that after final coordination it be returned for your review prior to publication. Full coordination has now been accomplished.

3. As you will recall, it is our intent that in due course the provisions of this notice should be incorporated in an appropriate regulation. A "notice" is proposed at this point in the thought that we will want to live with its policies and procedures for awhile on a trial-and-error basis before casting them in concrete.
